

## Final Exam (Part 1)

### Question 2

The Office of the State Auditor examines:

- A. counties and cities of first class under an unfunded mandate.
- B. school districts, small cities and townships.
- C. all Legislative Branch employees for pork-related trichinosis.
- D. both A & B above.

C. Incorrect:

The pork that is endemic to the Legislature is not a known source of trichinosis.
